

BRAZILIAN ASSOCIATION FOR THE FISH AND SEAFOOD PROMOTION

São Paulo, March 18th, 2020.

COMMUNIQUE

Regarding the COVID-19 pandemic, the Brazilian Association for the Fish and Seafood Promotion - ABRAPES comes to communicate that all its associated companies are aware of the Brazilian Ministry of Health's guidelines and are adopting measures to prevent coronavirus spread. Our members work to ensure the availability of fish and seafood at points of sale. We emphasize that, to date, there is no record of infected employees.

Therefore, we reaffirm our commitment to securely guarantee the supply of fish and seafood to the population.
